

The total document solution The perfect answer for business

The ES2032 MFP is a total document solution for small workgroups. It offers true 4-in-1 functionality to cover all office needs – print, copy, scan and fax – proving the perfect answer for any business wanting to rationalise hardware investment. This high performing A4 colour MFP is fast, efficient and reliable – bringing extra productivity, capability and cost-savings.

The ES2032 MFP. Enhancing the pace and professionalism of business.

An MFP bringing real benefits to the office

At 20ppm colour and 32ppm mono, the ES2032 MFP offers the fastest copy and print speeds in its class. The excellent scanning support plus additional memory, means this machine brings real benefits to the office. Whilst this superior performance will enhance productivity, it won't compromise print quality – the unique combination of ProQ2400 Multi-level technology and microfine toner ensures perfect printing.

More flexible. More functional. More power to business

With the superior features and advanced software of the ES2032 MFP, businesses can quickly produce professional results in-house. Anything from booklets to business cards to 1.2m long banners are easy to print and big tasks are handled with ease. An Automatic Document Feeder (ADF) comes as standard and automatic duplex delivers professional double-sided printing. The ES2032 MFP offers real fax with PSTN connection and 'speed dial' keys, and 'scan-to' capability to e-mail, FTP, HTTPS, PC and TWAIN. This is a true, no compromise MFP.

Create high quality colour documents and a great impression

Class-leading speed with professional print and copy quality. ProQ2400 Multi-level technology and microfine toner have been developed together to give a finer level of detail, greater colour depth, reduced grain and a high gloss feel. Photo Enhance ensures stunning pictures on ordinary office paper for truly professional

looking documents, while Auto Colour Balance ensures consistent results throughout the life of the printer.

The dependable ES2032 MFP keeps the work flowing

Like all OKI Printing Solutions' Executive Series products, the ES2032 MFP is built to perform – day in, day out. Its impressive duty cycle, combined with its single-pass, straight paper path maintains the workflow. As with all OKI Printing Solutions products reliability is inherent in the design.

Smart design. Easy to operate

With its ergonomic design, the ES2032 MFP fits the desktop, streamlines the office and is network-ready. The user-friendly operator panel enables every function to be carried out quickly and easily. Copy mode is the default setting which means simple, fast, one-touch copying, while fax speed dial keys ensure quicker, easier faxing. Nuance PaperPort® software assists in the storing and organising of exact copies of scanned documents and photos on the computer, whilst Nuance OmniPage® allows hard copies to be scanned and turned into editable text documents, such as Microsoft Word quickly, easily and accurately.
