The NEW ES9410 is an A3+ colour printer designed specifically to address the Graphics Arts (GA) and commercial print market. It produces consistent high quality output for demanding professional applications and for maximum customer satisfaction. It prints on to a wide variety of media types with impressive results. Tried and tested OKI LED technology with its flat paper path is designed to handle the workload and to keep working. The ES9410 uses new toner technology for ultimate performance in the demanding commercial print market.

Outline Specifications

- 1200 x 600dpi ProQ2400 print resolution
- 16ppm colour & 20ppm mono (A3)
- 31ppm colour & 36ppm mono (A4)
- Auto duplex as standard
- Standard 760 sheet paper capacity
- Maximum 2,350 sheets
- 512MB Memory with 40GB HDD
